

CQuIPS Symposium Call for Poster Abstracts 2024

We are excited to announce the [call for poster abstracts is officially open](#) for our CQuIPS Symposium. The poster program will take place both in-person at the CQuIPS Symposium and virtually on the CQuIPS+ platform.

Submission topics and selection

- Submissions should focus on either:
 1. A quality improvement or patient safety project that demonstrates results and/or lessons learned; or
 2. Research focused on quality improvement or patient safety.
- Abstracts with preliminary or final results will be considered for selection
- Submissions on all topics related to quality improvement and patient safety are welcome
- Submissions related to health equity and health system resilience, the two thematic strategic priorities of CQuIPS, are particularly encouraged
- Posters will be selected based on:
 1. Originality and innovativeness
 2. Analysis of quality or knowledge gap
 3. Methodological rigour
 4. Quality of data
 5. Learning value
 6. Clarity and completeness of abstract

For any questions, please contact: Upasana.panda@utoronto.ca

Guidelines for submission

Submitted abstracts are a maximum of 350 words and should include the following information (as applicable):

Quality improvement and patient safety projects

- **Background/context** – What is the problem of interest? Provide a brief description of the background/context
- **Aim** – What is the aim of your project?
- **Measures** – What are the outcomes/process/balance measures? How do you know if your project/research resulted in an improvement?
- **Improvement/innovation/change concepts** – Briefly describe the outcomes, program design, change ideas and how they have been implemented, as applicable.
- **Impact/results** – Did your changes result in an improvement? Summarize key outcomes and/or results and describe the extent to which the initiative has demonstrated an impact on health outcomes and/or health system performance. Preliminary results will be considered.
- **Discussion/lessons learned** – What challenges did you experience and how did you overcome them? What key lessons were learned? What are the next steps?

Quality improvement and patient safety research

- **Background** – What is the gap in the literature that this study aims to address and what is the purpose of your study?
- **Methods** – What methodological approach and methods did you use for your study?
- **Results** – What are the findings of your study?
- **Conclusion** – What are the conclusions and implications of your study findings?

Accepted abstracts

If your abstract is accepted you will be asked to provide the following. Further guidance will be provided upon acceptance.

1. A one-page e-poster that will be uploaded to both the electronic monitors at the in-person Symposium and to the virtual CQuIPS+ website.
2. A 2- to 3-minute recorded video to accompany the e-poster on the CQuIPS+ website (optional)
3. A select number of posters will be chosen for a poster presentation breakout session at the Symposium.

If your abstract is accepted, at least one member of your project team will need to register and attend the Symposium. One poster presenter will receive a reduced rate of registration.

Key dates (2024)

- **Jul 08, 2024 – Deadline for abstract submission**
- **Aug 20, 2024 – Notification of acceptance**
- **Oct 30, 2024 – CQuIPS+ poster upload deadline**
- **Nov 19, 2024 – Symposium**
